President's New Year Message

A Glance Back, But.....

Focusing On The Future

Welcome to 1991! The beginning of a new year is a time to think about our accomplishments and look forward to a bright future for the Historical Society. We did reach some of our goals during this past year with the help of all of you... well, most of you! Some of you (in fact, quite a lot of you) need to become more involved...we do need the help of every single member...whether near or far, there is something everyone can do! It takes a lot of hard work and complete cooperation from everyone to reach our goals. I appreciated all the assistance and cooperation I received in the past year and hope you will continue to give me your full support in the coming year. I know that everyone is not aware of the many, many hours of time given by those who work so very hard for our Society and I wish to take this opportunity to again say "thank you"...without people like YOU, we could not survive. Let us all resolve to work together in 1991 for a very successful year. I am proud of all we have done and now we need to move ahead and look towards the future. Be happy and stay healthy. *Estella*

OLGA PUHN.....VOLUNTEER OF THE MONTH!

Very few people realize the many, many hours of time that Olga devotes to our Society. She goes to our local schools and organizations and shows slides of early Lakeside...this works in with all third grade classes studying the history of Lakeside. She has spent many hours sorting old back issues of the Back Country Trader to be sure we have all copies. She was the chauffeur when she and our president went door to door to all the local businesses selling our calendars and she went many times alone. She is our representative to the Congress of History and keeps us informed. She has just agreed to assist with getting our museum in Lindo Park organized and ready for tours. She is a busy, busy lady but always has time to help. She kept our store open on Christmas Eve to catch last minute shoppers - last year too. Three cheers for Olga!!! We need more members as devoted as she is! She fills in at our store when ever called...we appreciate you Olga, and "thank you".
