JULY '91

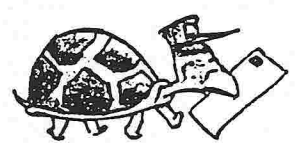

Hello again...here we are with another month gone by and what a busy time it has been for our Historical Society! I hope a lot of our members attended the Del Mar Fair and had a chance to see our display of "Lakeside memorabilia" in the parlour of the oldest house in Del Mar. This house has been given to the Del Mar Historical Society and been placed on the fair grounds as a permanent exhibit. How lucky the Del Mar Historical Society is to have this over "100 year" old house and how wonderful of them to share it. Each year a different Historical Society will be selected to put an exhibit in the "parlour"...we feel very fortunate to have been chosen to do this the first year. Many thanks to our volunteers who served as docents each day from 10:00 A.M. until 3:30 P.M. when members of the Del Mar Society took over until closing time. We had a guest book and asked people to sign and put their hometown...we don't have the total count yet (and of course many people came in the house but did not sign it!) but the first 13½ days shows over 2000 signatures!! Just think of all the wonderful publicity that gave Lakeside and our Historical Society! We received lots of nice compliments on our exhibit and that made all the work worthwhile! A special thanks to Olga Puhn for organizing this project and for going up on 4 different days to be a docent...thanks also to those who went 3 days and 2 days and to those who went 1 day...we couldn't have done it without each of you! A big thanks to our men who took a truck loaded with everything up there and for bringing it all back...we appreciate your help. Marguerite had a committee to help clean our museum in Lindo Park (cleaner than it has ever been) and was in charge of having the museum open from 10:00 A.M. until 4:00 P.M. on July 4th. - we decorated the front of the museum with our flag and red, white & blue streamers and we had about 75 visitors that day who purchased some items and made some donations towards restoration of the church. Many thanks to those who gave up their holiday to be on duty at the museum. I'll be looking for YOU at our next meeting on July 22nd. - Come and enjoy slides presented by a man from the Campo Railroad Museum...should be very interesting. Be happy & stay healthy.
