ALL ABOARD!

"ALL ABOARD" for our train ride on Sunday, May 19th, in Campo! We will meet at the Park & Ride area at Los Coches and Old Hiway 80 (south of the freeway) and will leave promptly at 9:00 A.M. - we will car-pool-and-caravan to our destination. Bring your own sack-lunch and whatever you want to drink and we will eat while riding the train. This is a change from the previously announced potluck. Small coolers can be taken on the train. We will have a 1½ hr. (round trip) ride to Miller Creek and then dessert will be served under the big oak trees in a picnic area. We will have plenty of time to visit the Campo Railroad Museum before we go to see the Old Stone Store where the Mountain Empire/Campo Historical Society has a large display of old memorabilia of their area, including Camp Lockett that dates back to World War II. The train ride costs \$7.00 and anyone who has not paid may do so before boarding the train. I am hoping to see a lot of you there...Remember, this takes the place of our regular business meeting for this month, so we will not have a meeting on Monday, May 27th. April was a very busy month for our society so it will be nice to have a fun, relaxing day. April was also a very profitable month...our numerous projects kept our hard working people "on the go" but the proceeds made it all worthwhile! My thanks to all who helped! I must get in another word about everyone buying at least one calendar...even if, as some have said: "But I don't need a calendar!"...buy one to support your society! This is one way for those who live out of town to make up for not being asked to donate a cake, pie, hot dish, etc. or to spend a few hours working as a "Volunteer" in our store or helping with the church restoration...Think about it!! Be happy and stay healthy. *Estella*
