## President's Message

by Barbara Whitlock

---

Two more successful fund raisers since our last newsletter. Thanks to Leon and Christine Hersog for their generosity and hard work putting on the BBQ at their home May 22. Great food, good weather and a fun time! The Orange Blossom Gala was another fun day. Thanks to Elaine Brack for chairing the event. Many hours and lots of work by many other ladies also. We tip the hat also to Olga Pugh and Pat Ellwood for working the booth at the Junior Fair, and to Betty Mc Millen for her hours of research working on the Second School. The 100 year birthday for the Olde Church is less than 2 years away and it is not too soon to make plans. Many have submitted their names to go on the Centennial Quilt. This summer be thinking of ideas for the celebration and we will talk about it in September. If anyone is looking for gentle exercise - we could use a volunteer to sweep the courtyard and sidewalks once a week!

## Centennial Quilt

Our new project of the Centennial Quilt is getting some responses but not as rapidly as we would like. If you missed out on the other quilts don't wait that long and be missed again. Send in now to make sure that your name is on this one. It takes quite a long time to get this completed so don't wait. This will be the Church in the center with all the names around it. When you send in the family name with your \$25, don't forget to send in the date you came to Lakeside. If you want your children's names it is \$10. for each name. You don't have to be a resident of Lakeside now. You just have to have lived here and continue to have interest in our community and what we are doing. Send it in !!!!!!

## TALK of LAKESIDE

I hope that everyone heard Ken Kramer on KSDO talk of Lakeside history on June 8 and 9. On Wednesday he told about the huge, old majestic oak tree that gave "Single Oak Drive" its name. On Thursday he told of the church and our effort to purchase the building. He talked of our fundraiser "Orange Blossom Gala". Isn't it great that we are getting recognition from the media? On June 13 on Channel 10 on the news he will talk about Barney Oldfield and the race track. Our archives are being used for more and more research. Isn't that great? If you have old pictures of Lakeside and of Lakeside residents will you donate them to us? or loan to us so we can copy them for our collection.

## OOPS OOPS - Apology

From Betty Mc Millen....

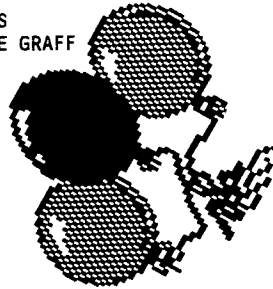

My apology to Dr. Jacquelyn Spacek, Supt. Lakeside School District. Previously I had reported to the Historical Society that the District was talking about cutting the "Second School District Warehouse" in half. After recently speaking to Dr. Spacek, I realized that I had misinterpreted her statement. She assured me that the Board is sticking by their decision in Aug. 1993, to allow the building to remain at it's present location.

We urge our members to write to their congressman stating they are opposed to the Duncan Bill (HR 4078) This is a Bill put forth by John Duncan (R - Tennessee) and has 72 Congressmen supporting it - including 9 from California. Randy (Duke) Cunningham, (R- 51st District) supports this Bill. The Duncan Bill advocates giving the deed to the 218 year old Army post to the public corporation with directions to sell the Presidio golf course, Letterman Hospital and other buildings to the highest bidder. Instead of 1,288 acres, the park would consist of 200 acres just along the bay and coast shores. More detailed information is available to the Society.

Lisa Anderson Smith 1st family vacation to Fresno then on to Yosemite.

Ray & Marlene Wilson are leaving for St. Joseph Ill. (a little burg outside of Champagian - or Urbana) to visit Rays mother, sister and other friends.

Leola Herms & daughter, Marjorie and granddaughter, Rachel are going to Yosemite.

Don't forget to visit our Museum - Near the Ranger Station in Lindo Lake Park on July 4th.

JUNE JULY  
1994

The ORANGE BLOSSOM GALA Luncheon & Fashion Show of wedding gowns from 1910 thru 1994 presented for the sheer "FUN" of it and to benefit the building fund was a great success. Take a look at our thermometer!!

Such a show could not have been accomplished without the help of many VOLUNTEERS. . .

the ladies who had the ideas and suggestions;  
the ladies who cooked at home and carried their casseroles and desserts to the Olde Church;  
the ladies who worked in the kitchen preparing the platters and doing dishes; the ladies who set up tables;  
the ladies who arranged flowers from their gardens and decorated tables and around the Olde Church;  
the ladies who loaned their wedding gowns and the gentleman who loaned his Marine uniform.  
the MODELS; and last, but certainly not least - our organ & piano player ELIZABETH MONTGOMERY.

MANY, MANY THANKS TO ALL THE VOLUNTEERS.

Everyone enjoyed the luncheon platter of a Chicken Casserole and assorted melons. Here are the recipes many asked for -

#### CHICKEN CASSEROLE

1 tablespoon lemon juice                1/4 tsp. pepper  
3/4 cup mayonnaise mixed with 1/4 cup water.

Potato chips.

Mix all ingredients. Put in greased casserole dish, top with 1 cup crushed potato chips. Bake at 400 for 15 minutes, or until thoroughly heated.

#### LEMON FLUFF

2 cups flour - 3/4 cup margarine melted - 1/2 cup powdered sugar  
Mix together and pat lightly in 9 x 13 pan - Bake 20 minutes at 325

While baking - in blender mix well

3 eggs                                      1/2 cup lemon juice  
2 cups sugar                              5 tablespoon flour  
1 teaspoon each of baking powder & lemon rind

Pour gently over baked crust and bake again 25 minutes at 325.

Remove from oven and sprinkle top with powdered sugar.
