

VOLUNTEERS....

APRIL 23-29
VOLUNTEER WEEK

President's Message

We know now that we can't compete with the Academy Awards program. Those who attended the March meeting though, enjoyed hearing Research Librarian EVELYN KOOPERMAN speak on San Diego County and City Trivia. We have copies of her books "San Diego Trivia" and "San Diego Trivia 2" in our "STORE". They would make a most interesting gift.

For the April program we will hear from a "Civil War Soldier" - Do come.
See you at the Western Breakfast. GERTRUDE DAVIS

NEWS...ABOUT OUR TOWN & PEOPLE

COMMUNITY BLOCK GRANT - Last Fall the Lakeside Historical Society applied for Community Block Grant funding to assist us with our preservation work. One application asked for assistance with the purchase of the church building. The other application asked for funding for a professional historic survey of Lakeside buildings and landmarks.

Last month, we found that, unfortunately, we did not receive either grant, but we were placed on an alternate list by the Board of Supervisors. Meanwhile, our important preservation work must continue on our own. Thanks for any help you can give.

BETTY McMILLEN

HISTORIC SURVEY OF LAKESIDE - We are asking all of our members and friends to help with the survey. Please make a list of anything in your neighborhood that is old. Any building, adobe, rock wall, bridge, tree or ?? that is 50 years old can qualify for the survey.

We will need the address of the historic site. Any other information you can get will be greatly appreciated.

Although we did not receive the Block Grant funding we will forge onward in our quest to save our historic treasures.

DOUG McCLAIN who is 93 years young, has offered to assist us with his boyhood recollections of early Lakeside. Two years ago he was a great help with important information about the "Second School" (corner Channel Rd & Woodside) - **WE WERE ABLE TO SAVE IT FROM DEMOLITION.** Call me with any information you have.

CENTENNIAL QUILT - A REMINDER - I want to remind all who have been postponing putting their name on the Centennial Quilt. Celebrating the Centennial of the Olde Church building, the quilt will have an applique of the church in the center and the names will be surrounding this applique. Don't wait too long or you will miss this opportunity - Then you will regret it with no way to remedy your loss. So get busy now!!

Send your family name (John & Jane Doe) and the date you came to Lakeside (even if you later left) with your \$25. If you want to include your children add \$10. for each name. Just think how nice that would be for a Mother's Day Gift - or a birthday or anniversary gift. All funds go to the mortgage paydown.

HISTORY for the CHILDREN - Our third graders in Lakeside schools are learning Lakeside history. They have a unit on local history and then we will give a slide show if the school makes a request. One school even had a field trip to see all the local historical sights. These children then have the opportunity to pass on this information to their parents and friends. It is amazing how they continue to remember us--the Historical Society. We have had requests from the Middle School as well as other organizations.

The only way for us to get the pictures and slides is with your help. If you have pictures of old Lakeside - may we have them? - - or borrow them so we can make copies and slides? Please help - but remember to label and identify your pictures. THANKS!

CHECK WITH SHIRLEY! DON'T MISS YOUR MAY NEWSLETTER!!

It is time to update our Membership List and delete those who have not renewed for 1995. Have you forgotten?? We don't want to lose you - so if you are in doubt whether you are in good standing - - call the Membership Chairman: SHIRLEY ANDERSON (619) 443-3835.

INTEREST ITEM: LHS received a letter from ERIK TANDRUP in Denmark inquiring about some of his relatives. The letter was passed on to MARCELLA WILLIAMS and she knew the right person to deal with MR. TANDRUP's inquiry. Who else but ESTELLA SOMMERVILLE who has been working with geneology for some time. ESTELLA started the search - locating a death certificate - from then on the search 'snowballed'. When ERIK TANDRUP visits LHS in May he will be pleasantly surprised to learn details of his family that our geneology expert uncovered.

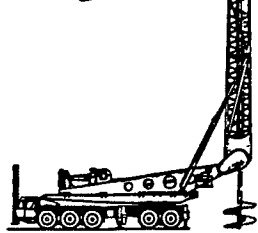

OCT. 24th, 1994 GENERAL MEETING -

Remember the fine demonstration by Deputy MARSHALL NICKEY and his dogs JUBI & ASLAN? JUBI, the friendly German Shepherd who helped deputies for 3½ years in East County, died the day before his 7th birthday. The Santee Station said they did not lose a pet - they lost a partner.

Deputy NICKEY received a new dog from Denmark April 6th and as required he paid all expenses. NICKEY is once again an "RGR" (raw green recruit) - He and dog will become a working team after an extensive training program of approximately 6 weeks.

This is the beginning of a new day.

You can waste it or use it for good. What you do today is important because you are exchanging a day of your life for it. When tomorrow comes, this day will be gone forever, leaving in its place something that you have traded for it. You want it to be gain, not loss; good, not evil; success, not failure; in order that you shall not regret the price you paid for it.

IN APPRECIATION

- As Restoration Chairman for five years, I again want to thank all of you who gave your time, materials and money to make Lakeside's Olde Community Church the usable and beautiful center it is today.

As Acquisition Chairman, I am grateful to my faithful committee of ANDY ANDERSON, JEAN ANGUS, MARY ALLISON, MICKEY CAMPBELL, JUNE CHRISTOFFERSEN, FRED EINER, FRED PRINDLE, TED ROBERTS and BARBARA WHITLOCK for all they did to bring about the purchase of this Historic Church.

The response to our letters asking for support in paying off the mortgage has been wonderful and I personally want to thank each one of you for your help. At the rate we are going we just may be able to pay it off at our 100 year dedication service March 24, 1996.

It means so much to me to know that so many people are interested and feel it important to restore, protect and share our heritage. Thanks again!
 EDNA SWINK KOUNS
