From Our PRESIDENT by GERTRUDE DAVIS

WHAT A GREAT CLIMAX WE HAVE EXPERIENCED FOR THE YEAR 1995!!!

The Golf Tournament, the Home Town Reunion, the Christmas Home Tour and the Centennial Celebratory events of the Day in the Park and the December 17th Walking Tour have kept us all busy. To each and every one who worked to bring about these events and to each one who attended and participated in any way we offer a heartfelt "THANK YOU".

We take this opportunity also to say "THANK YOU" to those who are working continually to maintain and to improve the appearance and condition of the Olde Church buildings and grounds. Volunteer hours can not be fully counted or measured but they are evidenced by what can be seen.

We hope all of you are planning to attend the annual Christmas meeting on December 13th. At 6:30pm we begin with a Pot-Luck Dinner and follow with a short meeting and Installation of Officers for 1996. Will we see you there?

I wish each and everyone HAPPY HOLIDAYS and a HEALTHY NEW YEAR!

Treasurer's Report - by ELAINE BRACK

Holiday Greetings - this year is drawing to an end it is hard for me to believe so much has happened in 1995.

The mortgage has dropped from \$140,000.00 to \$91,967.00 in eleven (11) months. This means that the Society has raised \$23,033.00 plus the down payment of \$25,000.00 over the past years. It is amazing isn't it?!. Still, the Society is a long way from paying off the mortgage, but it will be done

sometime soon. For everyone - - a big THANK YOU for all the work and the many many gifts to the mortgage paydown.

PLEASE REMEMBER LHS FOR FURTHER 1995 TAX DONATIONS.
HAVE A GREAT HOLIDAY SEASON.

PAUL WOLF Paintings Available

Was PAUL WOLF your teacher in Grammar School? Was he your friend during his many years of teaching in Lakeside? We have a number of his oil paintings at the History Center on display if you would like to stop in and see them.

HOLIDAY GREETINGS FROM KAUAI

We'd like to print all 4 pages of ELAINE SWEARENGIN DRAPER'S 1995 happenings but space doesn't permit it. If you are in the area, you can find it on the bulletin board at the History Center. Three years after Hurricane Iniki destroyed their home, they have rebuilt and finally settled their insurance claim successfully.

DICK manages to golf 3 times a week. ELAINE has made frequent trips to the mainland. She even stayed at the same hotel in L.A. with the O.J. Simpson's jurors. In San Diego where she had reservations, the hotel over booked and upgraded her to the Presidential Suite! She says she now knows the meaning of "living high on the hog".

They have weathered a surprise "Kona Storm" which brought gale force winds with gusts up to 90 mph, and have already received over 20" of rain in the past week.

When you stop in to do your Christmas Shopping in our Gift Store - take time to read ELAINES' letter. . you will enjoy it!

BLESSINGS OF THE SEASON from the WHALEY's. . .

It is time again to reflect on the events of the last year and to wish you all a very merry Christmas.

It has been a quiet and un-eventful year for the WHALEY's compared to 1994. We are all settled in and doing fine. We are both still working and looking forward to the "Gold Years". . .MILLIE is staying busy as the Sunday School Superintendent and KEN is still working at breaking 100 with his golf game.

We wish you and yours the blessing of the season.

From the Editor: We enjoy the letters from friends who have moved and the information about family and their involvement and accomplishments.

DECEMBER 1 - 7 IS FLOSSIE BEADLE WEEK. . . . BOB SANGSTER, FLOSSIE's son, escorted Flossie's sister, ETHEL from Encinitas, to our store. MARCELLA WILLIAMS had the time of her life showing them around and talking over the "Old Days".

In Memoriam

MARY HOAGQUIST, 91 died November 27, 1995 in Gallup, N.M. where she had moved several years ago to be near her daughter. MARY and her husband KARL, who died in 1982, moved to Lakeside in 1958. They built a stable on El Nopal and raised Arabian Horses. In 1965 when the first 4-H horse project in San Diego County was established, KARL was the leader and the two of them served many years with the 4-H Club.

MARY was a member of the Lakeside Historical Society. Services will be held at the Lakeside/Santee Funeral Chapel December 16, 1995 at 11am.

Survivors are a daughter ANDREA WELCH of Gallup, N.M. and a son, KARL, Jr. of Carson, CA.

In lieu of flowers, donations may be made to The Lakeside Historical Society Memorial Fund.

Linked Together

A few years ago at the Seattle Special Olympics, nine contestants, all physically or mentally disabled, assembled at the starting line for the 100-yard dash. At the gun, they all started out, not exactly in a dash, but with a relish to run the race to the finish and win.

All, that is, except one boy who stumbled on the asphalt, tumbled over a

couple of times and began to cry. The other eight heard the boy cry. They slowed down and looked back. Then they all turned around and went back. Every one of them. One girl with Down Syndrome bent down and kissed him and said, "This will make it better." Then all nine linked arms and walked together to the finish line.

Everyone in the stadium stood, and the cheering went on for several minutes. People who were there are still telling the story. Why? Because deep down we know this one thing: What matters in this life is more than winning for ourselves. What truly matters in this life is helping others win, even if it means slowing down and changing our course.

Christmas Home Tour Follow Up by CHRIS HERZOG

On Saturday, December 2nd the weather was great and so was the 6th Annual Home Tour. Thank you to the homeowners who allowed us to visit their homes, for without them we wouldn't have an event:

- ED & EVELYN HAYES cabin;
- ALMA HOWE's new victorian;
- MARJORIE MAUZEY & DAN DEYLING for the PHILBROOK farmhouse;
- JIM & DEE DUDLEY for their Workout Ranch on the old stage line;
- LYNNE SWINK for her charming southwestern cottage.

Your participation allows the Lakeside Historical Society to achieve its goal of history preservation and further insures the restoration of our historical center at the Old Community Church.

Before the tour at the old church many people gathered for refreshments and conversation, and to listen to Christmas music provided by The Bone-a-fied Brass trombone ensemble outside in the

garden. The tour of the five homes located in the hills and valley of Lakeside covered approximately 12 miles, and took about 2.5 hours in time. At each home were several hostesses to act as guides and answer questions. A special thank you to all the hostesses whose friendly smiles and energy added to the cheery atmosphere.

Thank you to all who attended, we hope you enjoyed the day. Your participation let us pay the bills for a new window and wall remodel in the gift shop; new cellar doors on the old church (thank you RAY WHITLOCK & RALPH ANDERSON); and the quick-release door in the gift shop store room to keep the fire marshall happy. We welcome all your comments and ideas for future home tours, and especially invite you to join the Home Tour Committee. Remember to tell us about any homes around Lakeside you would like to visit next time. CHRISTINE HERZOG, Home Tour Chairman 561-1886.

1996 Golf/Bridge Tournament by VIRGINIA MCGUINNESS

The planning of the Annual Historical Society Golf/Bridge Tournament is well underway. The 1996 Golf Tournament is going to be bigger and better than ever!

I have asked LINDA BAINES and BILL MARKLE to Co-Chair this event.

Already the committee is working on acquiring MAJOR sponsors (\$500.00 or more), TEE sponsors and something new - CART sponsors.

To date the committee has raised through pledges a total

of \$695 with \$500 being paid from a MAJOR sponsor.

If anyone would like to become a TEE sponsor at \$35 or a CART sponsor at \$20, please contact VIRGINIA, BILL or LINDA.

The committee feels that members of the Society have many contacts that the committee does not have -- so please talk up the Golf/Bridge Tournament and let one of the committee members know who might help this year.
