

# LAKESIDE HISTORICAL SOCIETY

July/Aug 1996

## President's Message

by Gertrude Davis

July and August are rest months for your Historical Society. Did I say rest? That means only that there are no program meetings scheduled. The Board will meet and the History Center and the Gift Shop will be open as usual.

Peg Stewart has accepted responsibility as Gift Shop manager starting July 1st. Drop in and say "Hello." She will be in on Thursday each week.

Word of the availability of our "Country Wedding Chapel" is spreading - one wedding in July and three in August. Remember the facility is available for Family Celebrations too. Check with our Reservation Chairman, Roxanne Smith if you are interested.

Thank you to each one who has supported the Golf - Bridge Tournament in any way, through tickets, sponsorships prize donations and other ways. The Big Day is not far off! See you there

## OBITUARIES

### BARBARA QUINCEY, 73

Barbara was born Sept. 8, 1922 in San Diego. Her father, Virgil Quincey, was born in Ramona and was from a pioneer family. She died at her home in Laicized on April 3, 1996. Barbara was a Life Member and a long time supporter of the Laicized Historical Society. She leaves one sister, Dorothy Quincey.

### ANDREW MCREYNOLDS

Andrew R. McReynolds, 77, of Santee, died June 2, 1966. Born December 15, 1918, he was a San Diego Native. He served on the El Canon Police Department during the 1940's and was the first motorcycle officer. He was a former member of the Laicized Historical Society, Santee Kiwanis, Sons of the Golden West, and as a volunteer for the El Cajon Highway Patrol. He is survived by his wife, Peggy; a son, Michael of Albany; a daughter, Martye Madalena of Escondido.

### MARY LOIS COBAUH

Mary Lois Neeley in Cushman, Arkansas on July 22, 1920, Mary was the daughter of Robert E. Lee Neeley and Ennt Bell Pitts. Her family lines in Independence County, Arkansas included pioneer names going back almost 200 years, and her Ball ancestors can be traced back to the family of George Washington. Mary met Richard Cobough in Cushman, where he had come to work, and they were married in Batesville on April 10, 1937.

Having made their permanent move from Richard's home state of Missouri to California in 1939, Mary and Richard came to Lakeside in the summer of 1948. Many of their close relatives had settled in California over the years.

When they came to Lakeside with their family, they chose to live in a little apartment across from Buckles Dairy, which was within walking distance of Lakeside Grammar School.

In 1950, Richard and Mary bought the Lakeside Train Depot on Laurel Street. Unchanged by time, in what was originally a confectionery, a small newspaper office published a local newspaper. It was a fun place to live.

Mary loved to visit with long-time Lakeside "Grandma" Rhoda Mayfield who lived just up the street. Mary and her children would listen to grandma tell stories of such things as watching Barney Oldfield race his roadster on the track around Lindo Lake. In fact, Mary's favorite pastime was visiting with family and friends, and another of her good friends was Lakeside's passionate historian, Flossie Beadle. Mary loved to trade antiques with Flossie.

After the Cobough family moved to Eucalyptus Hills, Mary began to collect blue Willow China, and this became a life-long hobby. She also decided at this time to begin raising parakeets to sell to the dime stores in El Cajon. It was in their Eucalyptus Hills home that Mary played hostess as Richard played the mandolin in musical get-together he organized in their home.

In the late 50's Richard began to collect all the phonograph records his family owned when he was growing up. Little did he know that for both he and Mary, this pursuit would blossom into a thirty year hobby of collecting antique phonographs and records.

In 1957, Mary and Richard designed and built their present home in Wunter Gardens. From there, over many years and several trips, they traveled extensively, including a visit to every state capitol in the continental United States.

Mary Lois Cobough passed away May 2, 1996 on her Lakeside home. She is survived by three daughters, Carol (Mrs. Jim Drew) and Kathleen (Mrs. Bill Martin), both of El Cajon, and Virginia (Mrs. Brian Ross, of Redlands; one sister, Daisy Neeley Winklw, of Batesville Arkansas; six grandchildren, Susanne Dew of Agndes (Mrs. Chris Agundes, of Lakeside, Major James L Dew, Jr., USAF (m. Twila Friel) of Saudi Arabia, Christopher and Terrence Ross, Thomas and Andrew Morton; and four great-grandchildren, Haley and Katrina Dew, Jacqueline and Juillianne Agundes.

UP-DATE ON ERIC TANDRUP FROM DENMARK: Many of you will remember about Eric coming to Lakeside in 1995 to visit the sites where his great-aunt and great-uncle had lived. I took him to visit the owner of their former property and some of their former friends. I had done some research and located their death certificates and burial locations and he was pleased to be able to place flowers at their crypts. His great-uncle, Neil Tandrup, helped build the "Desert View Tower" that overlooks Imperial Valley but time didn't allow him to go see it last year. He promised to return here and he did on May 13, 1996. Marcella Williams and I, with Virginia McGuinness as our chauffeur, took him to see that tower...an interesting place and great view. Eric was very glad to see it and took lots of pictures to show to relatives in Denmark. We all enjoyed a nice lunch in Alpine and then I took him around Lakeside to see the old "homeplace" again and of course he was pleased to see all we have accomplished in the church since his last visit. In fact, he gave me a \$100.00 bill as a donation towards our building fund and we certainly do appreciate his thoughtfulness. Many thanks, Eric.

Part of a letter received by Estella Sommerville  
from her former Lakeside childhood friend:

"Congratulations for all you and the Lakeside  
Historical Society have done to preserve and  
dignify my favorite spot on earth. I love  
knowing that the church is still standing on  
that corner. What would our lives have been  
like without it and the people who did their  
best to steer us in the right direction?  
I wish my own children could have had a place  
like that to remember."

Things at the Society are moving very rapidly. I can't believe that June is here already. With the coming of June means the beginning of the slow time for the Society and that means I can get caught up on a few things, too.

There are many interesting plans coming up to help continue the great pay down on the mortgage. As of May 14, 1996 the mortgage balance is \$70,380.00, but to continue this rapid payoff, please remember the Society whenever you can. Thank you to everyone for their continued support.
