President's Message

by BETTY McMILLEN

It is so exciting being President of this organization. We have so many ideas and things we want to accomplish. There is just not enough time to squeeze it all in.

Besides various restoration projects moving along, we are planning Spring activities such as our Annual Country Breakfast, Craft Sale & Yard Sale.

In May we plan to have a historical business tour featuring three of our old family businesses. Also a picnic in El Monte Park to dedicate our "El Capitan Reservoir" monument.

In June we will tour the Olympic Training Center.

When I inherited this presidency, one of my goals was to plan historical field trips for our members to enjoy. So far we haven't had time, but we'll work toward squeezing them in.

Thanks for your support and enthusiasm. It's fun working with a "we can do it" group.

Treasurer's Report

by ELAINE BRACK

The month of February really blew by and here it is March with the wind still blowing. I just made some calculations regarding the mortgage payment that will be coming up soon. I redid the figures a couple of times to find out if it was correct. . . it is . . . Can you believe that since the beginning of this year it has dropped to . . . ready . . . **\$18,300.00**. It won't be long and the whole place will belong to the Society. Many, many THANKS to everyone for their continued support.

SINCE IRISHMEN ARE ADVENTUROUS SOULS, MANY OF THEM EMIGRATED AND SETTLED IN VARIOUS PARTS OF THE WORLD; THEREFORE, ST. PATRICK'S DAY HAS BEEN OBSERVED ROUND THE GLOBE.

A Special Thank You to Claire & Ray Goetz

When the Society received the wonderful gift of a computer and printer - we did not have a place for it - and worse - we did not know how to operate it. CHRIS WAITS was the first to give generously of his time acquainting Virginia with the system. We had to rearrange the entire store to make a place for our gift - that meant we needed a couple "muscle men". ROD McMILLEN, RAY WHITLOCK and their ladies moved desks, cabinets, copy machine and more to make a new home for our precious gift.

Now FRED WALKER was invited to set up the system and guide VIRGINIA McGUINNESS along the way to operating the equipment. We are most fortunate to have FRED WALKER - he devised the program and has been doing our labels and membership lists on his computer equipment at home.

Next day VIRGINIA and computer spent time together getting acquainted - we purchased a new ribbon and paper and now ready to go. Another day we updated membership information that MARCELLA WILLIAMS prepared and printed our very first membership list. Now - thanks to CLAIRE & RAY GOETZ we have a backup system, and we can give FRED WALKER a little break once in awhile. We shall use the system for other jobs. . .but we are not quite ready. TRISH HOTTEL has come forward with her computer expertise and will be sharing the work load. Thanks to everyone - the giver - the helpers - in every category - all VOLUNTEERS. THANK YOU!!

12 NOON IS THE DEDICATION
AND THEN WE PICNIC!**

With the Fletcher family, other dignitaries, lots of our members and guests, we will have the dedication ceremony of the duplicate monument for El Capitan Dam at **12 Noon**.

San Diego County Parks Department has given us permission to place the monument within the "gated" park where it will be protected from vandals.

Picnics are fun! This one is **SPECIAL!**

**FOLDING & MAILING of the

ANNUALLY, TONS OF SHAMROCK PLANTS, WITH "A BIT OF THE AULD SOIL CLINGING TO THEM," ARE FLOWN ACROSS THE ATLANTIC FOR MARCH 17

"DID YOU KNOW" by MARGUERITE SHERMAN

On March 10, 1910 eight Lakeside women met and formed a club for the advancement of civic and social interest. Membership was by invitation, with dues at 25c, and they called themselves the Woman's Club of Lakeside.

Their first project, 1911, was assisting in building the Lakeside Town Hall, known later as the Lakeside Theater. The members collected the necessary \$200 for the lot by putting on dances and dinners.

The Club held their meetings in the town hall until 1920 when they purchased the building next door (the corner of Maine and Lakeshore). This was to be the clubhouse until 1945, available for many uses. During the first world war, the clubhouse became a Red Cross Unit, with the club women rolling bandages, sewing and providing a place for soldiers to relax, read, etc.

In February, 1918 the Woman's Club of Lakeside joined the San Diego Federation of Womans Clubs. In April of the same year, at the suggestion of a guest speaker from Federation, they started the ringing of the first victory bell when 500

women gathered in front of the Lakeside Presbyterian Church and prayed for peace and the end of the war, and the church bell was rung at noon. Thereafter, every day at noon, every Presbyterian Church throughout the United States tolled their bells for victory. Peace and armistice came that same year. There is a plaque at the entry door of the Olde Community Church commemorating that first victory bell.

This was just the beginning of many projects to come to benefit the community by the Woman's Club of Lakeside. Still active and dedicated to community service, there is more to the story of this organization, which can be read in the Legends of Lakeside.

This March 26, 1998 the Woman's Club of Lakeside will be celebrating its' 88th anniversary at 12:00 noon at the Olde Community Church. There will be a luncheon honoring several of the past presidents of the club, sharing memories of their administration, and a short business meeting after. The public is invited to the Lakeside Woman's Club 88th Birthday Party.

Please call for reservation.

Obituary

WILLIAM T. KOPPEL. Bill was born May 22, 1920 in San Diego and moved to Lakeside a year later with his parents and two sisters, Genevieve and Lillian. They made their home permanently on El Monte Road at the El Monte Road Pumping Plant where Mr. Koppel had been employed since 1919. Bill died at his home in El Cajon, Monday, March 9, 1998.

The children attended local schools. Bill and his brother-in-law, Floyd Riggle, operated Park Market in the early 40's. After he returned home from the service, he married Jeannette Brown of L. Mesa. When Floyd moved to Los Angeles, Jeannette's father bought Park Market from Ben Reid and he and Bill ran the grocery store until 1960 when it was sold to Payton for a Hardware Store.

Services were held in El Cajon Friday, March 13th. Survivors are his wife, Jeanette; two daughters, Kathy and Carol; a son William T., Jr.; a sister, Lillian Riggle of Chino Hills, CA.

MAIL BAG

Congratulations to BETTY & EVAN DOWERS

February 12, 1998 was the beginning of a whirlwind weekend for the DOWERS who were celebrating 50 years of wedded bliss. Dinner in El Cajon at Hometown Buffet. Friday 13 was the lucky day. Son JEFF accompanied them on a flight to San Francisco. They were wine and dined and treated to a 3-hour tour in a Limousine around the Bay area. They returned home on Sunday to find MIRIAM KEATING waiting for them at the airport, and dinner at Carrows Restaurant. The evening brought JEFF and his children over with gifts, cake and ice cream.

On Saturday, the 21st, they celebrated with the San Diego Chapter of Women Marines at the Marine Corps Air Station at Miramar on their 55th anniversary, bringing their own kind of food, cakes and gifts. [Betty's account is much more interesting than this condensed version and will be posted on the bulletin board at the Historical Center for you to read in its entirety].

The WOMAN'S CLUB of Lakeside held their 13th Annual Quilt Show & Boutique on March 6 & 7. There were a variety of quilts in both size and age. Five quilts were over 50 years old, and one small quilt finished the day before the show.

Among the traditional calico quilts was one made of neckties, another of insignia and material from an Air Force career, and three made by students. Lakeside Farms Peace Patrol, Lemon Crest Peace Patrol and Mrs. Gonnerman's 5th Grade class of Eucalyptus Hills Elementary were the student quilts.

Second-hand Rose and the Craft boutique offered items for sale.

ELAINE BRACK was the lucky winner of the Grandmothers Fan quilt. Other opportunity items won were a quilt kit, quilt book, purse, vest, doll and wallet.

BARBARA BOGGESS pieced and quilted the Grandmothers Fan quilt, as well as donating most of the opportunity items. A delicious lunch prepared by DOLORES MEYER and served by Historical Society ladies added to the success of the show.

Rod McMillen's cousin, Bill - - -, said he used to hang out at the Tumble Weed bar on Maine Ave (where the lawnmower shop is now).

He said every month they would have a rattlesnake hunt. You had to pay \$5 to enter. When you caught your snake you had to bring it back to the bar to measure LIVE from nose to tail. There was a tape measure imbedded in the bar.

At the end of the month the bar would be closed to the public and the owner would have a "Rattle Snake Fry" for the participants.

Bill said he always caught his rattler at the quarry on 67 and caught some 6 ft. long.

Editors Note: Is this like a Fish Story or worse - Golf Story?
