President's Message

Barbara Hogue

The holiday rush is over and with a sigh of relief we start a new year. Our goal is to get the termite work done early this year, and we are in the process of getting inspections done. Our Museum at Lindo Park is in need of repairs too.

The Lakeside Library is turning 100 years old this year. They are having a "Birthday Party" on Saturday, February 23rd. Contact the Library for more information.

Thanks to Betty McMillen and Cathy Hansen for composing a grant and Gordon Shackelford for figuring out the financial end of this grant we received for \$2000 for history education for students from the Daphne Culpepper Foundation. This will greatly benefit our Living History Days we hold in June and help our Museum.

The Lakeside Woman's Club had a Bunco Fund Raiser in September and raised \$1,085 in support of the LHS Archives Committee. Dorie Campbell accepted the check at a dinner held in December. We greatly appreciate the generosity of the Lakeside Woman's Club and Thank You!

Our next general meeting will be Monday, February 25th at 6:00 p.m. -- It's Chicken Pot Pie night. Reservations are required and a \$10 donation per person please. Our guest speaker will be Kate Breese from the Helix Water District, who will be speaking on the Flume.

Happy Valentine's Day!

Thank You Volunteers!

Several years ago, Nita (Padilla) Finder started the Mrs. Claus' Christmas Shoppe and has turned out to be one of our best fund raisers of the year. Last year I volunteered to be the Chairperson for Mrs. Claus' Christmas Shoppe and what a great experience it has been.

Our whole organization is run by volunteers and there are so many people who do so much. When you think about all we do; the newsletter, archives, museum, the gift store, the yard, weddings and hall rentals just to name a few plus all the activities we have all year. It takes many hands to keep everything running.

The Christmas Shoppe was open for over a month and we had many people volunteer, some for a few hours some for lots of hours. We started by collecting and storing stuff all year. Lee Bost went to yard sales and came with several truck loads of really nice stuff and she has already started collecting for next year. Thank you Lee! We had a great crew that took all the things out of storage, unwrapped, priced and set up for our sale. After the sale we had a great crew come in and put everything away and clean up.

I want to extend an extra big thank you to Bobbie Pogue, who was there every day working. She puts in so many hours all the time and helps with anything that needs to be done. We could not have been so successful without you Bobbie, thank you!

Our "Lighting Engineer" Roger Pundt was also invaluable. He was there every day, even on crutches, and took care of everyting electrical making sure it worked and made wonderful displays. Thank you Roger!

I also would like to thank three of our newest members, Dorothy Wood, Alan & Jill Kloos for all the hours they worked. It was so nice to get acquainted with all of you and please don't be strangers. There is always something to do.

Other volunteers who helped are: Dixie Lansdowne, Dorrie Campbell, Chris Herzog, Betty McMillen, Irene Woods, Cheryl Celius, Dan Celius, John Swink, Donna Swink, Barbara Hogue, Rod McMillen, Carol Livingston, Georgette Stacy, Dolores Gruner, Gordon Shackelford, Janis Shackelford, Barbara Whitlock, Susan Brown, and Lee Bost. I am sure I forgot someone; I am sorry, but thank you everyone for helping making it successful and fun!

ST. VALENTINE'S WISDOM

Cupid sat near St. Valentine,
He was sorting out his darts,
Repairing his bow and his quiver,
And toying with broken hearts.

Said he to the saint, with weary sigh,
"I'm tired of this fruitless hunt.
From sordid, leathery hearts to-day
My arrows fall dull and blunt.

"Time was when a dart of elder pith
Would pierce to the very core
A common heart, and the tougher ones
It would make exceeding sore.

"Now naught but an arrow tipped with gold
Will reach to a vital part,
And no such thing can be found to-day
As a flaming, burning heart."

Said the aged saint, "you quite express
The thing that I meant to say,
And we've got to use modern methods,
If we'd make the business pay.

"The turtle dove it has quite gone by,
And welded hearts are passe,
But any battered old coronet
Has a cinch to win the day.

"And the very swellest new design
For stealing lovers' letters,
You would hardly guess! 'Tis the dollar sign
And a pair of golden fetters.

"Then take advice, if the game you'd bag,
Use only a golden dart,
And draw a bead on the scheming head –
Don't aim at the shrunken heart."

Rosie O'Neil (1874-1944) was born in Pennsylvania and created and is most famous for her "Kewpie" cards. Her first works were published by the Gibson Art Company in 1915 but are scarce to find as the American Passion for actually collecting picture postcards was being replaced by the folded greeting card with an envelope to hide hidden messages.
