CO-PRESIDENT'S MESSAGE

By Stacy Hensle

The Lakeside Historical Society held its first general meeting of the year on January 23, 2023. It was a great night and a good turnout. We visited and got back together after our Christmas Shoppe sale in December. It was nice seeing some of our members who have been missing, especially having Yrene Woods back and looking great! We enjoyed many salads and five different soups as well as bread, rolls and desserts – all prepared by our members. Thanks to all who setup, prepped and prepared the delicious food. Additional thanks to all who stayed and cleaned up.

Gary Mitrovich and Pennie McMahon attended the program of the newly elected, 2023 court of Lakeside Princesses at the Rodeo Grounds. One of the requirements for the Princesses was to give a speech about an interesting fact regarding Lakeside history. We were able to witness their speeches again at the January meeting. It was one of the highlights of the evening, listening to these young women stand up and tell us a little nugget of history regarding Lakeside. Thank you and well-done young ladies!

After the speeches and the delicious meal, we had our white elephant gift exchange. We played the right/left game. I was given the privilege of reading the story, while everyone was having fun passing their gift either right or left. It was quite amusing watching everyone pass along the gifts that night. I enjoyed reading the story for everyone. Some of the gifts were really nice and there were some unique items too.

Our next event is coming soon, Monday, February 27, 2023 at 6:00 p.m. We will be having a Special Pulled Pork Dinner (*pulled pork sliders, cole slaw, beans, and dessert - \$10.00 donation per person*). Please RSVP by 02/20/23. **The presentation will be by Dusty Rhodes on “D.H. Ryan and Lakeside’s Roads and Highways.”** We are looking forward to seeing all of you there.

The March meeting will be on the 27th with desserts and a special PowerPoint Presentation (*more info on page 4*).

BITS AND PIECES

MARCH GENERAL MEETING: We've all seen plenty of great old photos of Lakeside, but have you ever seen them in color? They just literally pop! We have quite a colorized collection now, thanks to Tom Isom, who does a remarkable job of bringing our past to life and giving us a whole different perspective. We will be sharing many of these photos at the March General Meeting, with a PowerPoint presentation. You will be amazed. Coffee and home-made desserts will be offered as well. Join us at 6:00 p.m. on Monday, March 27. No RSVP required.

OTHER EVENTS: The LHS Museum Committee, chaired by Yrene Woods, will be hosting a luncheon this August 5th, in our air-conditioned Social Hall. Diane Angus and Stacy Hensle are the head planners. More information will be forthcoming.

Living History Days is "on" again and this time we'll be back to full strength, with our regular local 3rd graders scheduled and maybe even a few new visitors. The dates will be June 6 through 8.

The January wind and rain storms loosened a number of roof shingles on the **west side of our buildings, so we'll be working on repair soon ... Next time you visit, you'll probably notice the newly cleaned carpets in the old church and social hall. We do this annually ...**

Finally, one last reminder to "re-up" on your annual dues, if you haven't already. This source of income really helps (and we haven't raised our dues in recent memory, so it's still a great bargain).

LAKESIDE INN

One hour from San Diego by the Cuyamaca Railroad or by automobile over beautiful drive. Lakeside has more natural attractions than any resort in the West. Its famous mineral waters have curative properties for those who are ill, and a tonic for those who are well.

Fishing and shooting on its own lake, in season. Lake encircled by the only two-mile auto track in the United States. The climate permits it to be an all-year-round resort. Added to these attractions are golf, tennis, riding and driving.

The hotel is picturesquely situated, surrounded by flowers and green fields; the service is excellent and the cuisine beyond criticism. Illustrated booklet free.

From 1908: an advertisement for the Lakeside Inn: “One hour from San Diego by Cuyamaca Railroad or by automobile over beautiful drive.” The ad boasts of “more natural attractions than any other resort in the West.” Other attractions included, “the only two-mile auto track in the United States,” fishing, shooting, golf, tennis, riding, and driving! Then-owner John H. Gay was a showman and knew how to publicize his property. Lakeside was like the Disneyland of the 19th century!*
